

Directions to Tina Chorvas Waterfront Park

Tina Chorvas Waterfront Park is easily accessed from Routes 9W/32 in Saugerties. Coming from Main Street, you cross the bridge (with a view of the Diamond Mills Dam on the Esopus Creek) and take an immediate left onto East Bridge Street. The Park is on the creek side of the Mill Apartment Buildings.

From the South, you can take a number of roads off Routes 9W/32 to get to the park, as shown on the map.
